MANIPUR INTERNATIONAL UNIVERSITY

SECURITY NOTIFICATION

Ref. No.: MIU/2026/10/006 Date: 24th October 2026

Dear Associates and Partners,

This is to inform you that, following a temporary cybersecurity incident and an attack threat, unauthorized content was displayed on a website for approximately 5–6 days. The matter was reported to the concerned cyber authorities, and the University has undertaken necessary security measures and is strengthening its server and hosting infrastructure.

We hereby confirm that both official websites — www.miu.edu.in and www.miu.co.in — are now secured. The University is also undertaking technical improvements to strengthen website security and ensure smooth operations.

All associates and partners are requested not to be discouraged by this temporary incident and to continue their regular activities and collaboration with confidence.

Thank you for your continued trust and support.

Regards,

Chairman
Manipur International University
